

Message from Mrs Kinsley This week at Chatsworth, we've seen the personal qualities of **resilience** and **adaptability** on full display as we guided the children through Assessment Week. Year 2 students embraced the opportunity to complete their AI assessments using computers, while our younger pupils demonstrated their progress by completing termly phonics assessments. Year 1 students also participated in a mock Phonics Screen Check to prepare for the real assessment in June! Our dedicated staff work hard to ensure that Assessment Week remains a calm and reassuring experience, and the children respond wonderfully—whether by showcasing their learning in new ways or enjoying 1:1 reading time with their teachers. We look forward to sharing everyone's progress and next steps at Parents' Evening next week. Have a great weekend!

SAFE This week's safety assembly focused on **Rail Safety**, and the children shared their knowledge of how to stay safe at stations and near railway tracks. More information and activities can be found via the switched on rail safety website.

HAPPY Last Friday we enjoyed dressing in green to celebrate **St Patrick's Day**, and on Monday school council helped Alan to raise the tricolour flag over Chatsworth before enjoying our special themed lunch from Nourish—cén lá iontach!

LEARNING This week in our PE session, the nursery children enjoyed engaging in team games that focused on throwing, catching, rolling, and bouncing balls. They worked together, developing gross motor skills while enjoying friendly competition and teamwork. It's been wonderful to see them growing in confidence and coordination as they learn new ways to play and interact with their peers.

Sharing our success

We're thrilled to make the press today as part of our celebrations from our recent Ofsted—you can read the article here or via the QR code. <https://london-post.co.uk/chatsworth-infant-school-celebrates-praise-from-31ofsted/>

SAFE—HAPPY—LEARNING
