

Message from Mrs Kinsley It's been lovely to see so many happy families coming out of their Parents Evening appointments this week; the children work so hard and teachers love the opportunity to share good news with you. It was particularly nice for Sharman class families to be introduced to Miss Buxton who enjoyed two days at Chatsworth this week in a break from her final studies. After Easter, when Miss Turner takes over in Cleopatra class, her Mondays in Galileo will be covered occasionally by Mrs Patel, and the rest by Mrs Hamilton, a new face to Chatsworth but an experienced early years teacher and new recruit to the Pioneer supply team. We know that Galileo will really enjoy getting to know her and she's excited to meet them after the holidays! Have a wonderful weekend and Happy Mother's Day to all our Chatsworth families.

SAFE To help ensure everyone's safety during busy drop-off times, please encourage your child to step off their bike or scooter at the gate in the morning and walk it to the designated parking area. Teachers have already discussed this with students in class today, and we appreciate your support in reinforcing this message.

HAPPY At Chatsworth, strong attendance is part of our legacy, and we place great importance on children being in school every day. While we don't reward individual attendance, we plan engaging, exciting lessons that make children eager to be here. As part of our monitoring, we celebrate class attendance, and you can see the latest results on the **Beanstalk** display in the entrance hall. Which class has been the top attender this week? Check the Beanstalk to find out!

Spectacular Science

The children enjoyed a fun assembly with Emma from Spectacular Science yesterday, who showed the children how to use science to blow up a balloon without your puff! We're looking forward to Spectacular Science running a science club at Chatsworth on Fridays after school for the summer term, and parents are invited to sign up via the link. Letters with more information have also been sent out today.

Spectacular Science

Safe—Happy—Learning

Diary Dates

Tuesday 1st April—Reception trip to Godstone Farm

Wed 2nd April—World Autism Day

Thurs 3rd April—Nourish Eid Menu

END OF TERM Friday 4th April

BACK TO SCHOOL Tuesday 22nd April

Wednesday 23rd April—

St George's Day (come to school in red and/or white)

Lost Property

Our Lost Property shelves are filling up! Please swing by the entrance and collect anything you might recognise.

LEARNING The children have loved learning about the tradition of Mother's Day this week, and were so excited this morning to browse the fabulous sale arranged by our PA. The children can't wait to give their Mummies a special gift—thank you so much to the PA for organising this lovely event.
