

Message from Mrs Kinsley It was a chilly start on the gate this morning but so joyous to see the smiles on children's faces as they arrived with their various Number Day dress-ups. Thank you to all of you for supporting the day with making t-shirts and badges, hairbands and head-dresses. The children have had fun this afternoon with lots of practical number activities indoors and out, with the extra bonus of money raised for the NSPCC, We'll let you know next week how much was raised, thank you!

Diary Dates

Monday 10th February Y1 Jobs Fair (in class activity)

Thursday 13th February Nourish Pet Day menu

Tuesday 4th March Maths Parents' Workshop and Showcase—details tba

Thursday 6th March—World Book Day—details tba

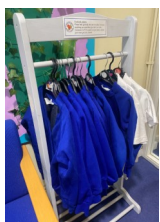

SAFE This week as part of Mental Health Week, in their My Happy Mind sessions, the classes have selected their Happiness Heroes, children who's role is to lead the way in helping their class look after their own happiness. Our Heroes were given their certificates and badges in assembly this afternoon and we look forward to finding out about all the things they'll be doing to support us with work on positive mental wellbeing. Congratulations Heroes!

Number Day

HAPPY We have a considerable amount of donated pre-loved uniform, that we'd love to give a new lease of life. If you need to replace an item of uniform please consider this. For a small donation we have all sizes in great condition. Some examples are hanging in the entrance hall—please ask if you don't see your child's size and we can find it for you.

safe—happy—learning

Trips and experiences Educational trips and experiences are an essential part of our curriculum, giving the children valuable hands-on learning opportunities that complement their classroom lessons. However, these trips do require funding through voluntary contributions from parents. Without sufficient donations, we simply cannot afford to run these activities. Going forward, if we do not receive enough contributions to cover the cost of a trip, we may have no choice but to cancel the event. Please do let us know if there are circumstances that might prevent you being able to contribute and we'll support in any way we can. We thank all those parents who regularly and promptly respond to trip letters and appreciate your continued support in making these enriching experiences possible for our children.

LEARNING Year 2 were intrepid travellers on Tuesday, embarking on an exciting adventure by bus, boat, and train—all in one day! As part of their Buildings topic, the children had the chance to see real-life examples of what they've been learning about, spotting landmarks along the river. "I was nervous about the boat but it was great!"
