

Message from Mrs Kinsley This week we've been delighted to share the publication of the report from our recent Ofsted inspection with you. One of my favourite quotes from the report, and one we're incredibly proud of, is: **"Pupils, families, and staff are proud to be a part of this welcoming and inclusive school community."** This truly reflects the core of what we strive for each and every day. A heartfelt thank you to all our families for their ongoing support—it really does make a difference. We look forward to continuing our work together to ensure every pupil reaches their full potential in the safe, happy, and nurturing environment at Chatsworth. Have a fabulous weekend

SAFE "Relationships between staff and pupils are **exceptionally strong**. Adults know pupils well and show **genuine care** for them. This gives pupils a **deep sense of belonging** and helps them to feel **safe**." Ofsted Jan '25

International Women's day

The hall was buzzing this morning with energy and excitement as we celebrated the special women in our lives at Chatsworth, thank you to everyone who came and enjoyed the event :-)

Diary Dates

10th—14th March—Science Week

Monday 10th—Animals Workshop (£1 donation)

Tuesday 11th March— Lockdown practice

Friday 14th—Nursery parents' tour (final one)

Monday 17th March—St Patrick's Day Nourish lunch menu

17th—21st Assessment Week

HAPPY "Pupils are **eager** to attend every day and are **excited** about learning new skills and knowledge alongside their **friends**." Ofsted Jan '25

LEARNING "The school has developed and **embedded** its curriculum so it is **well established** in all subjects... pupils **build on their learning** over time." Ofsted Jan '25

World Book Day

What a joyous day we had yesterday, dressing up, sharing books with our friends from Burnt Oak, taking part in a Book Swap and hearing our teacher's favourite stories. Thank you to Miss Turner for organising a brilliant day and to all our families for supporting with your children's fabulous outfits!

Maths workshop

We had a fantastic turnout for our Maths workshop and showcase on Tuesday, Mr Webb talked to families about the concrete math strategies we use in the classroom, particularly through the hands-on experience with manipulatives. These tools are essential in helping our students build a strong foundation in mathematical concepts, and it was fantastic to have the opportunity to share this approach with you.
