

Message from Mrs Kinsley Assessment Week has kept us busy this week. The children have worked so hard in their quizzes, and we look forward to sharing their results with you in their annual reports, which will be sent out to parents on **Friday 18th July**. In addition to the exciting activities detailed below, the children also took part in a special assembly this week to learn about Gypsy, Roma and Traveller History Month, which is celebrated throughout June. They listened thoughtfully and shared insightful ideas as we explored the important message that we are all different, we are all special, and we all have something to learn from one another. It was a wonderful opportunity to celebrate diversity and promote understanding within our school community.

SAFE Marina from Sidcup Leisure Centre came to Chatsworth this week to continue our half-termly theme of Water Safety. She was so impressed with how well the children listened to all the important messages, and said she felt like a rock star when so many children recognised her from their swimming lessons!

KSI Football Triumph - Sponsors Wanted!

Our KSI football team recently achieved a fantastic victory in the TPA football competition - well done to all the players! We've invested in a brand-new kit, so we can continue to represent Chatsworth with pride and style, and are currently looking for local businesses who might be interested in sponsoring our team. If you or someone you know would like to support us, please get in touch via the school office - we'd love to hear from you!

This week, our Nursery pupils joined Attenborough Class for some Sports Day practice. Y1 were fantastic role models, demonstrating the different events with enthusiasm and care. But with so much energy and team spirit on display... who will come out on top? We can't wait to find out on the 14th July!

Diary Dates
