

Message from Mrs Kinsley Welcome back! The children returned on Tuesday excitedly talking about their holidays, sharing their super-creative homework and some enjoying some dressing up! They've settled brilliantly into their final topics of this academic year and we look forward to all the experiences they bring. Next week Year 1 will take part in the Phonics Screening Check. Everyone has worked so hard on their reading this year and we look forward to giving them the chance to show off what they know! The Standards and Testing Agency have produced a parents information leaflet which can be accessed via the QR code, and as ever, any questions please ask the Year 1 team. Have a great weekend!

SAFE In assembly, as part of Child Safety Week we discussed all the Safety focuses we cover at school. The children could remember lots about road safety, sun safety and even the work we did last year about fireworks! The Child Accident Prevention trust have produced a Parents' Pack containing lots of safety tips, just click on the QR code to download.
