Kinsley—What a super fun day with Times Tables Rock Stars -Y1 and 2 are bringing home their logins so that you can try it at home—rock on!

SAFE On Monday we completed our first fire drill of the academic year. The children were brilliant at following their adults' instructions, walking calmly out of the building and lining up in their special spots in the playground. Well done! Next week we'll be talking about fire safety at home and in school in our Monday Safety assembly.

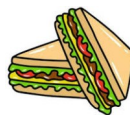

HAPPY Our Year 1 and 2 Happiness Heroes received their badges in last week's Reward assembly and are raring to go, supporting their classes in our My Happy Mind sessions. Well done!

LEARNING We're looking forward to welcoming parents and carers for our Parents Evenings on **Wed 15th** (3.30–7) and **Thursday 16th October** (3.30–6). Ten minute slots will go live for sign-ups on Arbor School Shop from 12pm on Wednesday 1st October. Please let the office team know if you're still experiencing issues with Arbor, thanks.

School Safety Notice: The children have been taught that if they hear an alarm in school they should stop, listen to their teachers and follow instructions. The most important thing is to stay calm, and to ensure their voices are heard only when necessary for the register—they did brilliantly this week!
