

Message from Mrs Kinsley Contrary to popular belief, this part of the summer term doesn't slow down—it speeds up and gets busier than ever! The team have been hard at work finalising end-of-year reports (ready to go out next Friday), preparing handovers with new teachers, running transition activities, and completing final assessments. Meanwhile, the children are busy finishing off their topics, rehearsing for end-of-term celebrations, and getting ready for Sports Day. It's a special time of year—one that can feel exciting and a little daunting in equal measure. We work hard to make sure this is a time for children to reflect proudly on all they've achieved and to look ahead to the future feeling prepared, confident, and supported. If your child has any worries at all, please don't hesitate to let us know—our aim is for these last few weeks to be positive and enjoyable for everyone. Enjoy the sunny weekend!

Inflatable day

So many happy faces at Sunday's Burnt Oak Inflatable Day! Thankfully, the rain didn't hang around long enough to spoil the fun. A huge thank you to BOJ's Head Boy Teddy and his mum, plus their army of volunteers for organising such a lovely event for our families!

I-ROCK ASSEMBLY

James brought some serious energy to Chatsworth on Monday with our Launch Assembly for I-Rock - the exciting new music lessons coming to school this September! We're thrilled with the positive response from families and can't wait to hear those thumping tunes filling school soon.

Diary Dates

Monday 14th July—Sports Day at Burnt Oak, morning only

Tues 15th and Thurs 17th—Teddy Bears Picnics for new Reception families

Tues 15th (9.30) and Thurs 17th (1.30) Y2 Leavers' Show

Mon 21st July—Y2 Leavers' picnic

Tues 22nd July—Parents' Evening drop-in 3.15–4.30

Wed 23rd July—1.30 Leavers' Assembly

END OF TERM @ 3.15

HAPPY LEARNING

As part of our transition activities, Year 1 children are buddying up with Reception pupils to help them explore their new classroom environment. These small peer-led moments, like noticing that "our chairs are red and these are blue!" can make a big difference. By sharing their own experiences and offering friendly tours, our Year 1s are helping to build excitement and confidence, one small detail at a time.

EUROS LUNCH

On Wednesday we were gearing up for a nail-biting England match—Miss Turner did an assembly all about the Women's Euros, and then the children enjoyed a special themed lunch from the Nourish kitchen, with Marina-ra Meatballs, Scoring Sweetcorn and their favourite Red Card Jelly! The perfect prequel to England's 4-0 victory!

Water Safety Tip: Empty paddling pools and buckets as soon as they have been used and turn them upside down.
