

Physical Development:

In Physical development this half term we will learn how to transport and store equipment safely and handle tools, objects and malleable materials with increasing control.

Personal, Social and Emotional Development:

In PSHCE this term we will continue to work as part of a group (play cooperatively, take turns with others) and independently make choices about our learning and show resilience and perseverance.

Literacy:

In English this half term we will be learning to ask questions and write short sentences. We will be reading books connected to Space including "Astro Girl", "How to catch a star", "Peace at last" and "Aliens love underpants

Key Texts

How to catch a star
Whatever, Next!
Peace at Last
Alien loves underpants
Goodnight Spaceman
Here come the Aliens
The way back home

Maths:

In Maths this half term we will be learning about numbers 0, 6, 7 and 8, representing and comparing numbers and looking at one more and one less. We will be measuring mass, capacity, length, height and time.

Expressive Art and Design:

In Expressive Art and Design we will explore, use and refine a variety of artistic effects to express our ideas and feelings. We will use and explore complex tools.

Year Group: Reception

Topic: Up in Space

Communication and language:

In Communication and Language we will be practicing asking questions to check meaning and using new vocabulary in context. We will be retelling stories.

Understanding the World:

In Understanding of the World this half term we will be using our senses to explore, learning about changes in the natural world (weather) and draw information from simple maps.
