

Message from Mrs Kinsley— What a wonderful NSPCC Number day we've had today! Numberblocks were everywhere and the hall was buzzing with activity as the children completed their sponsored activities- I was overwhelmed by all the sponsor forms and envelopes that went in the bucket this morning, and with the online donations we've already hit £1500! What an amazing effort for the NSPCC and our maths resources for the school—thank you so much to everyone for supporting this event so brilliantly xxx

SAFE and HAPPY

In our Safety Assembly on Monday, we explored our British Value focus for this half term: **the Rule of Law**. Children shared how we show this at Chatsworth by creating and following class and school rules that help everyone feel safe, happy and ready to learn. They talked about learning right from wrong, understanding that choices have consequences, following routines and safety rules, and taking turns, sharing and solving problems fairly. We are proud to see our children putting these values into action every day and growing into responsible, thoughtful members of our community.

Breakfast and After School Club Bookings

We kindly request that Breakfast Club places are booked via Arbor by 3.00pm the day before attendance, and that After School Club places are booked by 11.00am on the day. As much as we would like to be able to support all families, we are unable to accept late breakfast club bookings by email after 3pm, as we cannot guarantee these emails will be seen. If a family is not on the club register, they may need to be turned away due to staffing and ratio requirements. Please refer to the [letter](#) sent to parents in November for full details regarding Breakfast and After School Club bookings. Thank you for your cooperation and support.

LEARNING This week, we welcomed a group of parents on our Nursery tour—some of whom had attended Chatsworth themselves! It was a lovely reminder of the strength and longevity of our school community. They especially enjoyed seeing the apparatus set up for Mr. Kimberley's PE lesson—a timeless school memory. Check out our [Instagram](#) page to see the children in action!
