Message from Mrs Kinsley—What a wonderful week it has been! We've enjoyed the excitement of our ducklings, lots of fantastic dressing up, and welcoming families into school to share our learning. A little Wizard of Oz magic on the yellow brick road was an added bonus too! The warm sunshine has been a lovely treat as well. We hope you all have a wonderful weekend and look forward to seeing everyone again on Monday.

**DUCKLINGS**

Our Reception children have loved watching the eggs hatch and seeing the tiny ducklings grow over the course of the week. It has been a wonderful way to observe the life cycle up close, and some children have even had the chance for a gentle hold. Next week, we are hoping the ducklings might even have their first little swim!

**Diary Dates**

w/b 9th Mar—Science Week

**HAPPY LEARNING** We had a fantastic time celebrating World Book Day yesterday. The children looked amazing dressed as their favourite book characters, and the effort put into the costumes was incredible. It was a wonderful way to celebrate our love of reading together, for more check out our [Instagram](#).

**Safe - Happy Learning**

**Nursery baking**

Nursery had a special treat of baking cookies with Lisa from our kitchen today—they mixed and rolled their biscuits before using their special goat cutter to make Three Billy Goats Gruff cookies—and one even got delivered to my office! Thank you Simmonds class!
