

We were delighted to welcome Evie's dad, James, and his bear Cory back to Chatsworth for our St George's mini-marathon yesterday. The children showed great resilience, completing laps at Burnt Oak, while Reception and Nursery took part on the astro at Chatsworth. Together, we raised just over £200 for Children with Cancer UK while getting active and having fun. We wish James and Cory all the best for Sunday - keep an eye out for them (and the Chatsworth badge!) on TV! Have a wonderful weekend everyone :-)

SAFE This week, some of our children and families were aware of a road traffic incident involving a child from a nearby school. We understand this may have been upsetting, and we have addressed it sensitively in school. In Year 1 and 2, children have revisited key road safety messages, reminding them of how to cross safely and stay alert near roads. In Nursery and Reception, children will take part in activities to reinforce safe walking to school, such as stopping at the kerb and holding hands. We encourage families to continue these important conversations at home. You may find this [resource](#) helpful. Thank you for your support in keeping our children safe.

Nourish's new menu for April to October can be found [here](#)

Diary Dates

Mon 4th May—Bank Holiday—school is closed

Tues 5th May—Nourish menu tasting for parents after school

Thurs 7th May—Y1 trip to Hall Place

Fri 8th May—Reception trip to Godstone Farm

Thurs 14th May—Reception vision/hearing/ height/weight screening

Tues 19th May—Charity dress up day and PTA Spring disco

Fri 22nd May—break up for May half-term

Monday 1st June—INSET DAY

Towards the end of last term Nursery were fully immersed in their Forest School exploration of Handa's Surprise, when they enjoyed tasting a range of fruits from Handa's basket and were fascinated to discover that some contained pips or seeds, while others had stones—or none at all. Alongside this, they explored links to other cultures and places, deepening their understanding of the world around them through storytelling, discussion, and outdoor learning.

As the weather warms up, please apply a long-lasting sun cream to your child before school where possible. Applying sun cream during the day can be difficult to manage safely, particularly due to allergy considerations. If your child needs sun cream applied in school due to an allergy or specific need, please inform the school office so we can update our records, thank you.
