

Message from Mrs Kinsley— As we head into hopefully sunnier weather, we'd like to remind parents of our school uniform policy, particularly regarding PE kits. Children should be wearing **royal blue shorts** or **jogging bottoms**, and should not be wearing skins or base layers under their shorts. Sunglasses should also be left at home please, as they are not needed in school and are easily lost. Don't forget we have an extensive pre-loved collection of uniform available for any families who need new items. We appreciate your support in keeping uniform consistent and the school environment safe. We wish you all a relaxing Easter break; please note that the school office will be closed for the two-week holiday but if you have any concerns regarding the welfare of a child during this time, you can use safeguarding@chatsworth.bexley.sch.uk, an address which is monitored by our Designated Safeguarding Lead (DSL) team throughout the holidays.

SAFE Please can we ask all families to encourage children to stand back from the school gate when waiting in the mornings. When children stand too close, it can trigger the gate sensors and prevent the gates from closing properly. It is important that the gates are able to close securely to keep our site safe. Thank you for your support.

LEARNING This week, Year 1 visited Burnt Oak to use VR headsets as part of their *Time Travellers* topic. They explored Ancient Britain and examined a range of historical artefacts through this immersive experience. The children showed great enthusiasm and really enjoyed bringing their learning to life!

Easter Bunny

The Easter Bunny paid a special visit to the children today, delivering an egg to everyone! A huge thank you to our amazing PTA for supporting this lovely event and helping to make it so memorable for the children.

Forest School reminder

The KSI Forest School and PE timetable for after Easter is now available to view [here](#). Please ensure children come to school in the correct kit on their allocated days, thank you.
