

Message from Mrs Kinsley— This term is always one of the busiest in the school calendar, and the weeks seem to be flying by! Many of our children completed their Phonics Screening Check this week and demonstrated fantastic positivity and resilience throughout. We are very proud of them all, and results will be shared with parents in end-of-year reports. Next week is Assessment Week, when staff will be carrying out a range of activities to help finalise each child's attainment and progress for the academic year. Next Friday, our PTA is pulling out all the stops with two fantastic events. During the day, children can visit our Father's (Special Man) Sale to buy a small gift for someone special, and after school we have our Inflatable Day, which promises to be a brilliant family event. By the end of the week, I think we'll all be ready for a bounce and an ice cream! A huge thank you to our PTA volunteers for making these events possible—we hope to see lots of families there. Inflatable tickets available [here](#)

The PTA is excited to present our **FATHER'S DAY SALE**

Class connection

We have been delighted by the positive response to ClassDojo since launching it across the school and are settling into using the platform to share school news, events, reminders and celebrations of learning. If you have not yet connected, please use the invitation that was sent home last week to create your account and join your child's class. If you need another invitation or support setting up your account, please contact the school office, who will be happy to help. We look forward to welcoming even more families to our growing ClassDojo community.
