

 **Message from Mrs Kinsley**— As we reach the end of another busy week, it's fair to say the weather has certainly kept us on our toes! From warm, sunny playtimes to hailstones during Forest School sessions, the children have shown great adaptability and resilience throughout it all. As the weather continues to change so quickly, please ensure children come to school with a coat each day, even if the morning starts sunny. We would also kindly ask that children attending Forest School bring a change of dry shoes for afterwards, rather than wearing wellies for the whole school day. Thank you, as always, for your continued support. We hope you all have a lovely and restful weekend!

SAFE A polite reminder to parents and carers to encourage children to get off their scooters and bikes at the school gates and push them to the parking zones. This helps to keep everyone safe when walking along the Yellow Brick Road at busy times. Thank you for your support and cooperation..

Please remember that children should not be taken out of school for days out, birthdays, or other non-essential activities during term time. Regular attendance is vital for your child's learning and progress, and we appreciate your support in ensuring they are in school every day.

Phonics Screen Check briefing for Y1 parents

We would like to invite Year 1 parents to a **Phonics Screening Check** briefing in the hall on Tuesday from 8:45-9:30am. This will be a chance to find out more about the check and how you can support your child at home. The PowerPoint will be shared afterwards and will also be available on the school website. The Phonics Screening Check takes place nationally during the week beginning Monday 8th June.

CLUBS—Please note that there will be no **Tuesday after-school clubs** running during the final half-term. Construction Club on Thursdays and Forest School Club on Mondays will also not be running. With a particularly busy timetable of events, trips, and activities during Summer 2, we have had to make some adjustments to our club provision in order to support staffing and the smooth running of the school day. Mr Greenwood's Year 2 Board Games Club will continue to run as normal, along with all clubs delivered by outside providers. We appreciate your understanding and continued support.

LEARNING—On Tuesday, Year 2 enjoyed a wonderful sunny day at Penshurst Place. The children were fantastic throughout the trip and showed great resilience when the journey home was delayed due to standstill traffic. Thank you to our Year 2 families for being so flexible and understanding with the changes at the end of the day.
